

## 8302212 [LED Lamp, 3200 Lumens]

### Instruction Guide

1. Remove 3 screws that hold original lamp in bezel and remove lamp
2. Between the lamp and the bezel is a plastic ring. Confirm that plastic ring has been removed before proceeding
3. Disconnect wiring connector
4. Place new Hy-Cap lamp into bezel
5. Secure lamp into bezel using three original screws
6. Attach wiring housings together
