

## HA201309T91 [Bridgelux LED Hi-Lo Beam Grille Light, 3200 Lumens]

### Instruction Guide

1. Remove chrome ring from light
2. Disconnect electrical connector and remove light from housing
3. Attach electrical connector to the connector on the new Hy-Cap light
4. Place new Hy-Cap light into housing with proper side up (5 low beam LEDs on top of light)
5. Replace chrome beauty ring to secure Hy-Cap light into place
